

Large-format Design, Expanding the Limit of Textile Printing

Feb, 2017.
Cooperated with M&R for Industrial Oval Textile Printer, Victory One

Oval Plus Industrial Automatic Oval Printer

- Larger printing area, better quality, and higher added value
- Cooperates with M&R®, introduces CIMS¹ and advanced assembly management
- 22-70 industrial pallets, achieves high-grade registration, accuracy error ± 0.02 mm
- Ultra-large 120 x 74 cm pallet with maximum printing area up to 100 x 70 cm
- Fast rack loading & unloading, freely switches between garment and piece printing
- Open body design, can augment the number of work stations in a personalized way
- Auto printhead control system, lower time cost, higher productivity
